

My name is Lucinda Nel, Administrative Clerk at Imperial Primary in Mitchell's Plain for more than 11 years.

I returned 2 May 2008 after a five week Group Study Exchange Programme between South Africa and Australia. I was one of a team of 5 members who went to Perth as part of a cultural and vocational exchange. The programme is funded by Rotary International. The objective is to develop leadership skills, and for members to come back and share what they have learnt in the host country.

My purpose was to see how schools in Western Australia operate as well as poverty alleviation projects. Candidates had to be younger than 40, at least two years working experience and qualified in any field.

- E-mail Newsletters
- Name badges for staff members
- Computer printed cheques
- Management plan for sick learners (eg. Diabetes)
- Daily bulletin
- Learners who excel
